

**REMARKS**

Claims 20-30, and 55-59 are pending in the present application. Claims 28-30 and 57-59 are allowed. Claims 22-24, and 26-27 are rejected.

**CLAIM REJECTIONS**

In the Final Office Action of April 10, 2006 (hereafter "Office Action") the Examiner maintains the 112 rejection with regard to "aliphatic hydrocarbon." Applicants disagree. Nonetheless, without acquiescing to the Examiner, but to further the prosecution, and hereby reserving the right to prosecute the unamended claims in the future, Applicants have amended Claims 20 and 24 in the manner suggested by the Examiner. Claims 22-23 and 26-27 are hereby canceled (without prejudice). Applicants note with appreciation the Examiner's suggestion.

**CONCLUSION**

Applicants respectfully request that the Examiner's 112 rejection withdrawn, that Claims 20-21, 24-25, 28-30, and 55-57 be allowed, and a timely notice of allowance be issued in this case. Should the Examiner believe a telephone interview would aid in the prosecution of this application, the Applicants encourage the Examiner to call the undersigned at 617.984.0616.

Respectfully submitted,
